

Creative task "Come up with your own recommendations for the development of social responsibility in university students, based on the basic rules of communication":

- ❖ Observe social distance at all times, because your health and the health of others depend on it!
- ❖ Think about all your actions and avoid unpleasantness!
- ❖ Develop the habit of wearing a mask in public places. To ensure the maximum efficiency of the application of masks, it is necessary to use, store, process and dispose of them properly.
- ❖ Avoid crowded places and closed premises, and if this is impossible, observe preventive measures:
- ❖ If possible, do not touch your eyes, nose and mouth with your hands. A person touches many surfaces with his hands, so there is a chance of getting virus particles on them. Once on the hands, viral particles can get into the eyes, nose or mouth. From these parts of the body, the virus can enter the body and cause disease.
- ❖ Listen to criticism!
- ❖ If someone behaves impolitely, it is not necessary to demonstrate similar rude and rude behavior. Stay educated.
- ❖ Always turn on the silent mode or completely turn off the phone in the theater, library, cinema, lecture, etc.
- ❖ Treat people the way you want them to treat you!
- ❖ Do not humiliate someone for his shortcomings!
- ❖ Respect the opinion of each person!
- ❖ Observe social distance at all times, because your health and the health of others depend on it!
- ❖ What's wrong, you are an example for society!
- ❖ Maintain cleanliness not only in yourself, but also in the environment!
- ❖ Love nature, and it will reward you!
- ❖ Respect someone else's work!
- ❖ Cleanliness is wonderful!
- ❖ Throw trash only in the trash can!
- ❖ Responsibility to society!
- ❖ Always fulfill your obligations!
- ❖ Do not transfer to others, so that you can do it yourself!
- ❖ Don't be afraid to take responsibility, because if you try, everything will work out for you!
- ❖ If you take on any business, you must do the work qualitatively!
- ❖ Observe social distance at all times, because your health and the health of others depend on it!
- ❖ Think about all your actions and avoid unpleasantness!
- ❖ Fulfill all your responsibilities at the university!
- ❖ Respect each person and treat everyone with understanding!
